

Concrete Hoppers

Concrete Hopper - This particular accessory is a self-dumping hopper which automatically triggers to dump as soon as bumper release touches the side of a dumpster. After dumping is finished, the hopper goes back to an upright and locked position. This particular piece of equipment is even existing along with a cable which allows operation from the seat of the lift truck in order to have the choice of manually dumping the hopper. There is a locking chain provided so as to secure the hopper to the tine truck. This particular product is constructed with consistent and reliable robotic welds for utmost strength. The lift truck dumping hopper also has a blue powder coat finish to maintain durability.
