Advance-Nilfisk Parts - Imagine how long and tiresome it will actually be to tidy up after a party, without help from machines. Previously, the dust from carpets and upholstery had to be beat out of them manually; cleaning cloths, brooms, and brushes were the top cleaning products at the time.

The man who founded Nilfisk-Advance, P.A. Fisker, started out as an electrical engineer who really liked to work on electrical motors. After starting his company in the year 1906, he began to produce motors to drive drills, coffee grinders, fans and machine tools. Mr. Fisker's dream from the start was to have an international business marketing products worldwide.

The Nilfisk C1 was a remarkable breakthrough for the cleaning industry. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and could be operated by one individual. This creation came in a time where other cleaning equipment were huge and required 4 or more operators, therefore, the Nilfisk C1 transformed everything and evolved the method we clean forever. The brain behind these very first cleaning machines remains unparalleled. Cleaning machines offer an excellent solution to an ongoing problem; things get filthy and have to be cleaned frequently, without a lot of effort.

Slowly but steadily, Nilfisk-Advance expanded throughout the decades. In the 1980s, this growth truly happened the time the business became a part of the NKT Group. Their new owners' drive and concentration made Nilfisk-Advance take a huge leap forward within the industry, aspiring to be among the biggest international players in the market of professional cleaning equipment. Nilfisk-Advance is now located in every part of the world due to gradually obtaining lots of smaller businesses in order to expand their product portfolio and presence in new markets. They are really proud to present various cleaning solutions to fit every requirement.
